Floating Adventures: Alluring Adriatic

Countless islands nestled in crystal clear water, deeply fissured cliffs, picturesque beaches and numerous small bays – that is the **Kvarner Bay Islands** in the northern Adriatic. Every island is different. Each has its own history. You can spend a week discovering the landscape and people of this unique island-world by bike, independently and with the aid of knowledgeable tour guides. On our romantic motor yachts - your floating accommodation - discover the charm of the Adriatic in your own special way. You cycle off after a hearty breakfast. At midday meet the ship at a harbour for lunch. In the evening the boat will be waiting in the next harbour, so that you can enjoy fantastic cuisine as the sun sets, followed by a stroll through each historic town. Finally, settle down in your cabin to sleep - or stay on deck under a thousand stars...

Come enjoy this Floating Adventure with Active Journeys!

Itinerary

Day 1 Omišalj - Cres

Individual arrival in Omišalj, a nice little harbour village on the island of Krk. The cabins on the boat will be ready for you from 14:00. At about 15:00 you will take a four hour sail to the island of Cres. On Cres we take a walk through the Venetian old town in the evening.

Day 2 Islands of Cres and Lošinj 25 km

In the morning your boat will cross over to Martinšćica. You will cycle on the east side of the island among pine, fig and laurel trees. The boat awaits your arrival and lunch is served during the cruise to the island of Lošinj. If the weather is good, the captain will arrange a swim stop along the way before tying off in the harbour town of Mali Lošinj. The port with its colourful facades and numerous cafes offers its visitors a welcoming atmosphere for a relaxed evening. You will spend the night in the harbour of Mali Lošinj.

Day 3 Islands of Lošinj and Molat 20 + 10 km

Along the seaside bike path you cycle to the south of Lošinj and visit the picturesque small harbour of Veli Lošinj before you will meet the boat for lunch. In the afternoon you cross over to the island of Molat, where you will do one more short cycling tour.

Day 4 Island of Dugi Otok - Zadar 45 km

During a breakfast cruise, the boat will take you past many small islands to the "spice island" of Dugi Otok. Your bike ride will start in the bay of Božava, which is surrounded by woods of pine, agave and tamarisk trees, and you will ride on a road nearly free of traffic. In the harbour of Sali you will meet the boat for lunch and a sail to Zadar. After dinner you take a guided walk through the lively town centre.

Day 5 Island of Pag - Rab 20 km

After a morning cruise, you will reach the island of Pag. Over the centuries the inhabitants have built numerous stone walls for protection of the olive and fig trees against the wind. You will bike on the narrow peninsula until you reach the sea, where the boat will be waiting to take you to Rab. The island of Rab is one of the sunniest places in Europe. The town of Rab, the fortified capital of the island, was built in the middle ages on a wedge-shaped headland, and marks one of the highlights of the trip. After dinner you can explore the narrow alleys with numerous cosy cafés.

Day 6 Island of Rab 25 km

You will bike along the coast to the east side of the island, an area with virtually no vegetation, whose rough and cliffy rocks remind of a lunar landscape. The road will lead you on to a bay with a sandy beach, which is rather atypical for the Kvarner islands. At lunchtime the boat will be waiting for you in the harbour directly in front of the old town of Rab. We cruise to Jablanac near the picturesque Zavrtnica fjord then cross over to the neighbouring island of Krk.

Day 7 Island of Krk 45 km

You will cycle over the ridge of the island, which is covered by fragrant macchia, to a valley of vineyards, and then onwards to the small museum town of Vrbnik in the northeast. The town, built on a 50-metre-high cliff and surrounded by vineyards, is the home of the famous white wine, Žlahtina. The way will lead you on across the island through old villages and rich vegetation to Omišalj, from where Rijeka will be within your sight. On the way, you will have a chance to swim in the bay of Soline.

Day 8 Omišalj

Tour ends after breakfast.

Captain will decide adjustments to the route depending on winds.

What to Expect

What will the weather be like?

The weather should be nice and warm during the day, definitely t-shirt weather, but you should bring a jacket or fleece for cooler morning and evenings.

How many hours of cycling a day?

You will cycle up to 6 hours a day. We return back to the boat for lunch, so you can opt to do only half a day if you desire. There are hills on this trip, making it intermediate at times. Tour Days 4 & 5 mileage vary on each boat.

How fit do I need to be?

The fitter the better. Croatia is hilly and mountainous, so you will have a combination of short and longer ascents and descents.

What are the accommodations like?

Comfortable guest cabins with double or twin beds come with a toilet, sink and shower facilities in each cabin. Meals are served either in the main lounge or outside on deck. There is ample room to move about.

Getting There

- The closest airport is Rijeka which is near the port of Omisalj on the island Krk. Transfer from/to Rijeka airport \$40 per person/way.
